Your Flex Card

You'll get a **\$302** allowance each month on your flex card to use for over-the-counter (OTC) items. And if you qualify, you can use your allowance for healthy food,¹ like fruits, veggies, canned goods and more. You'll need to use your money up each month. It won't roll over to the next month.

Transportation²

In 2027, you'll get **100 one-way rides** to plan-approved locations included at no extra cost. You can use these rides for medical, dental, vision, hearing, pharmacy and fitness visits. Each one-way ride counts as one trip.

¹ The allowance for healthy food items is a Special Supplemental Benefit for the Chronically Ill (SSBCI). Not all members qualify. Find more information about this benefit and how to qualify in your Evidence of Coverage, or at bluecareplus.bcbst.com.

² This benefit is for transportation to Medicare-covered benefit locations your TennCareSM (Medicaid) benefit doesn't cover.
