

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-796-0609 (TTY: 1-800-848-0299) or visit us at www.bcbst.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$1,500 person/\$3,000 family Out-of-network: \$3,000 person/\$6,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive services</u> , Office visits, and Emergency room visits are covered before you meet your <u>deductible</u> (unless specified).	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. Pharmacy In-Network <u>Deductible</u> : \$250 per person / \$500 family for Brand, Non-Preferred & Specialty drugs. Pharmacy Out-of-Network <u>Deductible</u> : \$500 per-person / \$1,000 family for Brand, Non-Preferred & Specialty drugs. Pharmacy <u>deductible</u> is separate from medical deductible. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this plan?	In-network: \$5,000 person/\$10,000 family Out-of-network: \$10,000 person/\$20,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premium</u> , <u>balance-billing</u> charges, penalties, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. This plan uses Network S. See www.bcbst.com/network-s or call 1-888-796-0609 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
