

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-565-9140 (TTY: 1-800-848-0299) or visit us at www.bcbst.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-565-9140 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$4,700 person/ \$9,400 family Out-of-network: \$9,400 person/ \$18,800 family	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. For individual coverage, no benefits except preventive care, are paid by the plan until the individual <u>deductible</u> is met. For family coverage, no benefits except preventive care are paid by the <u>plan</u> to a family member until the individual family member meets the individual <u>deductible</u> amount or the total medical expenses paid by the family equal the family <u>deductible</u> amount.
Are there services covered before you meet your deductible?	Yes. <u>Deductible</u> doesn't apply to <u>preventive care</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	In-network: \$6,000 person/ \$12,000 family Out-of-network: \$12,000 person/ \$24,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. After the individual <u>out-of-pocket limit</u> , applicable expenses for you will be covered at 100% of the allowed amount for the remainder of the calendar year. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met for services to be covered at 100% of the allowed amount.
What is not included in the out-of-pocket limit?	<u>Premium</u> , <u>balance-billing</u> charges, penalties, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. This <u>plan</u> uses Network P. See www.bcbst.com or call 1-800-565-9140 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
