

Provider-Administered Specialty Pharmacy Products

The drugs on the list below need to be ordered by a provider and administered in an office, outpatient setting, or home infusion (where applicable). They also require prior authorization. To request a prior authorization, providers can:

- Log in to Availity®.
 - Select the Tennessee region, and then select “Payer Space.”
 - Click the “Authorization Submission/Review” application.
 - Select “Specialty Pharmacy.”
- Call 1-888-258-3864 for Medicare Advantage members. • Call 1-888-258-3864 for BlueCare Plus members.
- Some medications may also require an inpatient authorization as well as a medication authorization.
